All,

Just a heads up that I'll be out of the office next week – so Susan Griffin has kindly agreed to be your point of contact here in the office for tox issues. She can be reached at 303 312 6651. Also, a reminder that Bob Benson is our drinking water toxicologist here in Region 8 and has extensive knowledge and experience dealing with groundwater wells, etc. His phone number is 303 312 7070.

Thanks,

Wendy
